MULTIETHNIC ADVOCATES
FOR CULTURAL COMPETENCE

Dear Supporter –

At Multiethnic Advocates for Cultural Competence, Inc. (MACC) we have served the state of Ohio for over 18 years. As a statewide clearinghouse for training, resources, research, best practices, and collaboration in the area of cultural competence, we are committed to transformation from individuals to systems with the goal of inclusion, respect and highest delivery of equitable services and engagement in all sectors. In these challenging times in our nation from a pandemic to social justice issues, the demand of our services and training is on the rise. With that of course are our rising costs to continue to deliver, current, customized, quality training and technical assistance to our expanding client base.

The work we do at MACC is serious, challenging and approached with the intent to impact and elevate the world in which we live...acknowledging that commitment...we take the opportunity where possible to have some fun!

We are so excited to invite you to the inaugural MACC Classic Golf Outing on Friday, September 24, 2021, at Cumberland Trail Golf Club!

Attached please find the Sponsorship Package. We hope that you will come on board as one of our inaugural event sponsors, send a foursome...or two and join us in successfully launching the first of what will become an annual fundraising event for MACC.

Please give us a call at our MACC offices at 614-221-7841 or reach out to Sara Jablonski via email at sjablonski@maccinc.net.

We look forward to including you as part of our 2021 MACC Classic Sponsorship Team!

Yours in service,

Tracy Maxwell Heard
